LESCO®

GREEN
## TURF PAINT
Restores a Natural Green Color
to Dormant or Discolored Turf

- Adds look of health and beauty to warm and cool season turfgrasses.
- Will not wash off or wear off turf.
- Fall application on dormant turf lasts through winter
- Recommended for use on athletic fields, golf course greens, tees and fairways, commercial and residential lawns.
- Easy spray application through any type of conventional sprayer.
- In–season application for discolored or stressed grass.
- Non–phytotoxic – will not harm grass plants.
